TRUST THE CRUST

BRING THE BASE

Nothing will spice up your party, work do or team feed like a spread from Base. We're talking delicious pizza with our signature crunchy crust and guilt-free aftermath. Go on, make the people happy.

WHO WE ARE

Base is THE local delivery joint for fresh, wood fired pizza in Dublin. We've got a massive passion for delicious pizza, great people and damn good vibes. We take pride in quality, local ingredients and supporting independent businesses (like ourselves!).

WHAT WE DO

Make great pizza. Real food made by real people.

OUR PIZZA

Everything is made from scratch, right down to the base. There's only 4 ingredients in our dough: water, flour, yeast and salt.
